

Ingredients for a Sustainable Community

A Round-table Discussion

What makes a community sustainable?

What do we know and what do we need to know?

Do you have ideas on what are the important features of such a community?

Lets get together to share, learn and apply our knowledge!

PARTICIPANTS

Representatives of NWT Biomass Energy Association, Community of Gamètì, City of Yellowknife, Yellowknife Community Gardens, Ecology North, GNWT School of Community Government, Council of Canadians, - and YOU

WHEN/WHERE

Thursday, January 21
7:00-8:45 pm
